

WENTZ
COPA
LAMP

Copa Lamp, 2019

The Copa ("treetop" in Portuguese) lamp is a contemporary reinterpretation of the modernist table lamps, combined with the asymmetry of nature. At its base, a small bowl can be used as a daily object holder, while the effect of its light dissipates elegantly giving off a discreet and cozy illumination. A subtle connection to nature that makes home a refuge.

PRODUCT TYPE: Table Lamp

ENVIRONMENT: Indoor

MATERIALS: Aluminum

DIMENSIONS

W: 30cm / 11 3/4"

D: 30cm / 11 3/4"

H: 45cm / 17 3/4"
