PALO  
PENDANT

## Palo Pendant, 2021

Palo Pendant comes from the desire to create a pendant source of light that can give comfort to the dining table. From the horizontality of the table, it comes from a unique brushstroke. The connection with the ceiling is given at the center of the piece, causing the tips to fall off. This curve expresses a vegetable malleability, as if the structure was inspired by bamboo..

PRODUCT TYPE: Pendant Lamp

ENVIRONMENT: Indoor

MATERIALS: Aluminum, Acrylic
